TRAINING & PLACEMENT

In the race of global business opportunities of the 21st century, the Indian economy is being restructured through a process of economic reforms based on free market principles. Several Indian companies are redesigning their long term strategies to emerge as major players in their target markets worldwide. As a part of the placement efforts, the institute has its own placement cell named as 'Arya Resource Center (ARC). The ARC team maintains rapport with a number of potential employers and placement consultants and appraise them of the level of knowledge and practical application skills acquired by our students in various areas of Management & IT and their utility to the organization.

Our students have already been placed in the major industries and MNCs like Coca-Cola, Airtel, Ashok Leyland Finance, Wockhardt Novartis, Cipla, LG, Phillips, HDFC, Kenstar, ICICI, Century Cement UTI Bank, ICICI Prudential etc.

Placement agencies are keeping in touch with the recent trends to offer the best options as per individual competencies. Students are encouraged to actively participate in corporate networking and placement activities. The institute believes that the entire placement exercise is a coordinated effort between the students and ASMIT.
